

# WE #LOVESA

1. We love God, love our neighbour and even choose to love our enemies.
2. We support the highest ethical standards for governing South Africa:  
from community level to government level.
3. We are committed to strengthen the unity amongst all South Africans.
4. Whatever our political affiliations, we agree to play an active role as citizens to  
lead South Africa on the path of genuine progress.
5. We fully recognise and respect the autonomy and individuality of each affiliate  
that is part of this #LoveSA Accord.
6. We are committed to guard and protect each other's integrity but to also hold  
each other accountable on the basis of our shared values.
7. We all are committed to nation-building by bringing full transformation in SA in  
all areas of society.
8. We want to see a nation reborn, free of racism, free of any oppression, and  
discovering the unique value of its diversity in creating a new future together.
9. We commit to shape an inclusive and productive economy that create new  
opportunities in the job market and that attract new investment.
10. Any organisation with a socialist, communist or destructive agenda will not  
form part of this #LoveSA Accord.
